

Pre-Meeting Hands-on Specimen Course

Cervical Spine Research Society – Europe

MAY 14, 2025 PRAGUE, CZECH REPUBLIC

info@csrs-europe.org

WELCOME TO PRAGUE

Dear Colleagues, Dear Friends,

For the 40th Annual Meeting, CSRS-Europe is delighted to organize a Pre-Meeting Hands-on Specimens Course at the state-of-the-art facilities of the Department of Anatomy, 2nd Faculty of Medicine, Charles University in Prague.

We will provide six fully equipped workstations, one of which is dedicated to O-arm and navigation techniques. With the generous support of our sponsors, we aim to set up six tables with complete sets of standard instruments, high-speed drills, and contemporary implants. Each table accommodates groups of up to four participants, enabling rotations to the O-arm and navigation station. The plastic 3D model of the cervical spine is available for each group to demonstrate topographic anatomy and procedures.

The Faculty team, comprising renowned experts in cervical spine disorder treatment, is excited to contribute to this unique educational event.

Do not miss this exceptional opportunity to expand your knowledge, refine your skills, and engage with peers in the field!

We look forward to welcoming you to Prague for an unforgettable experience.

Petr Vachata, Usti nad Labem, Czech Republic
Course Chairman

FACULTY

CSRS-E Board members

Óscar L Alves, Portugal

Cédric Barrey, France

Andrés Combalia, Spain

Ahmed Ibrahim, UK

Michael Mayer, Austria

Carmen Vleggeert-Lankamp, Netherlands

Invited Faculty

Deszö Jeszenszky, Switzerland

Acknowledgement

„The CSRES-E sincerely thank those who donated their bodies to science so that anatomical research could be performed. Results from such research can potentially increase mankind’s overall knowledge that can then improve patient care. Therefore, these donors and their families deserve our highest gratitude.“ Iwanaga, Joe, et al. Clinical Anatomy, 34(1) 2-4, 2021.

COURSE PROGRAM

WEDNESDAY, MAY 14, 2025

| | |
|-------|---|
| 08:00 | Participants registration |
| 08:25 | Welcome David Kachlik Anatomy Department Head |
| 08:30 | Introduction of CSRS-Europe Carmen Vleggeert-Lankamp |
| 08:35 | Practical remarks Petr Vachata |
| 08:40 | Anterior approach for ACCF and VA position Identification Carmen Vleggeert-Lankamp |
| 08:50 | Anterior high cervical approach to CC junction Deszö Jeszenszky |
| 09:00 | 1st CADAVER PRACTICE: Anterior cervical approach, vertebral artery exposure & corpectomy, the anterior approach to CC junction |
| 10:00 | Coffee break |
| 10:15 | Posterior C0-C2 instrumentation technique Óscar L Alves |
| 10:25 | Posterior subaxial cervical spine instrumentation, lateral mass versus pedicle screws Michael Mayer |
| 10:35 | 2nd CADAVER PRACTICE: Anatomical C0-C1-C2 & related posterior techniques |
| 11:30 | 3rd CADAVER PRACTICE: Lateral mass, lamina & pedicle screw fixation, hooks |
| 12:15 | Lunch |
| 13:00 | Posterior techniques of C-Th junctions lecture Cédric Barrey |
| 13:10 | Laminoplasty techniques Ahmed Ibrahim |
| 13:20 | 4th CADAVER PRACTICE: C-Th junction pedicle screw insertion |
| 14:10 | 5th CADAVER PRACTICE: Laminoplasty |
| 15:00 | Coffee break |
| 15:15 | 6th CADAVER PRACTICE: Navigated posterior cervical screw insertion with intraoperative cone beam CT |
| 16:15 | Adjourn |

GENERAL INFORMATION

Registration fee: 900 Euros

Included in the course fee is course materials, full access to cadaveric dissection sessions, light refreshments, and a lunch . Accommodation is NOT included.

Venue

Charles University
2nd Faculty of Medicine
Department of Anatomy

Security

Wearing of a name tag is compulsory during lectures, workshops, and group discussions.

Use of mobile phones

Use of mobile phones is not permitted in the lecture halls or in other rooms during educational activities. Please be considerate of others by turning off your mobile phone.

Intellectual property

Event materials, presentations, and case studies are the intellectual property of the event faculty. All rights are reserved. Recording, photographing, or copying lectures, practical exercises, case discussions, or any event materials is strictly forbidden. The CSRS-E reserves the right to film, photograph, and audio record during its events. Participants must understand that in this context they may appear in these recorded materials. The CSRS-E assumes participants agree that these recorded materials may be used for the CSRS-E's marketing and other purposes, and that they may be made available to the public.

SPONSORS

We thank you our sponsors for the unrestricted educational grants and in-kind support, without which the course could not take place.
